Brian, Nikki, Slim, and the Crew

It is hard to believe that a week has passed since we wrapped up A Taste of Colorado. I am sure you have already moved on to other promotions, the Broncos beat the Ravens, life goes on. For me – I am still recovering, but the memories will live on!

I wanted to take time out to express my gratitude to you and your station. As you know, Taste truly is a labor of love and friendship for me. In my 28 years, I have met some great people and made lifelong friends. When I say I appreciate all you do – I hope you know that I truly mean it from my heart.

I wish your “bosses” could see your efforts. I cannot express in words the success of MC Hammer concert. So I won't... Just to say three years in a row Jammin' has blown my mind! The concert and the turnout was simply spectacular! The Jammin' promotion knocked it out of the park!

I cannot wait to start working on 2014 and the fourth anniversary of Jammin' – who knows what we will accomplish!

I have already started a list of acts for next year. My best to you and your amazing staff!!!! And to your family, Brian – love you all!

We were also thrilled with the first year and JACK – I think we can do even more with the JACK-E-OKE stage next year!

When you have a chance, please put the RECAP together with number of spots aired, digital, e-newsletters, and sample MP3's.

All the best,

Patty Johnson
