

WINDSTAR<sup>®</sup>  
CRUISES

Dear Jeff,

I just wanted to take this opportunity to thank you for this amazing week. As you know neither Chris nor myself have been on any cruises, or out of the country for that much and we really appreciate you all for including us. This week has definitely been an eye opener, giving us a different perspective of a world we've yet to experience. It's been a pleasure getting to know you and Lin and we look forward to more encounters. Thank you for the memories!

Sincerely,

Jill & Chris
